The IASN Foundation Margaret I. Winters Memorial Scholarship

The IASN Foundation offers one Margaret Winters Scholarship annually to an Illinois Professional Educator Licensed and Endorsed School Nurse in the process of obtaining a graduate degree related to school nursing. The Margaret Winters Memorial Scholarship was established to promote graduate level education among Professional Education Licensed School Nurses. The scholarship is intended to help offset part of the cost of pursuing the graduate degree. All graduate programs require a scholarly project as part of the course of study. This project may be used to fulfill the scholarship application requirements. The amount of the scholarship is $1,500.00. The recipient will also receive complimentary admission to the next IASN Annual Conference (approximate value $150).
