

What can IASN do for YOU?

- **I**NFORM and educate
- **A**CCEPT the challenge
- **S**HARE the knowledge
- **N**ETWORK with colleagues

IASN provides opportunities for continuing education, updates members on current research & practice, forums for networking & sharing ideas, connections to school nurses & practice issues nationwide through NASN, and advocacy for school nursing at the state and national levels.

ACCEPT the challenge to get involved.
